

INTRODUCING THE ALL NEW

SX2350

From bayou water to blue water.

From skinny water to the open ocean deep water. The new SX2350 puts you there with comfort and style. Ergonomics rule the fishing side, with an abundance of storage, three large baitwells, and a command center that keeps you on top of everything. Style and efficiency rule the family side, with premium upholstery, a kicking sound system, and optional underwater accent lighting. With high gunwales, and a deeper, contemporary hull with a Carolina flare design, enjoy a comfortable and stable ride. Expand your fishing territory and at the same time expand the fun with your family and friends. The SX2350 does great with both.

LIST OF OPTIONS.

SX2350 FEATURES

Yamaha 6Y8 Multifunctional gauges, elevator switch panel, EVA foam padding and a side access door.

Large front casting deck includes ergonomic steps, rod storage, fish box, and a center storage box.

Port and starboard rear deck lids open to reveal tandem 20-gallon stern baitwells with fill and recirculating pumps with timers.

Flip this rear bench seat up for a comfortable spot for friends and family, or easily flip it down for a larger rear casting deck.

Integrated bilge access door is hidden beneath the rear bench seat and allows for easy access for rigging and servicing.

Coastal white lean post features premium upholstery and convenient under seat storage.
